

Paste label with
sample-ID here

In order to check your results, Fürst Medical Laboratory has developed a web portal called Fürst Pasient – you may access this web page via

www.furstpasient.no

To log in there are two possibilities:

“Logg inn via ID-porten”

If you have access to ID-porten (either BankID or Buypass access) you may log in using this method.

“Logg inn med prøve-ID og kode mottatt på SMS – Login for foreign users”

If you do not have access to ID-porten you may log in with the sample-ID together with a SMS code. The code will be sent to your phone number when the results are ready.

LES MER

When you withdraw the test at the testing station the technician should provide you with the test-ID on a small note that should look like this:

When the results are ready you will receive a text message with the SMS code. The SMS code you need is the number written after “engangskode” in the text message.

Din prøve hos Fürst er ferdig. Gå til www.furstpasient.no for å se dine svar. Logg på med BankID eller engangskode 105174.

analyseresvar / PatientWeb allows you to
check your own analysis results**

Prøve-id / Sample id:

XXXXXXXX

SMS-kode / SMS code:

105174

LOGG INN

Du kan også logge inn med bankID på
furstpasient.no.

Merk at tallet 0 kan fremstå som bokstaven Ø
på enkelte prøve-id som printes ut. Bokstaven
Ø benyttes aldri i en prøve-id.

Prøvesvar er tilgjengelig på denne siden i 28
dager fra de er ferdige.

You may also log in with bankID at
furstpasient.no.

Observe that the number 0 may appear as the
letter Ø for certain printed sample ids. The
letter Ø is never used in a sample id.

Analysis results are available on this site for 28
days from completion time.

“ANALYSE” is the name of the
analysis

“SVAR” is the result (either NEG
or POS; negative or positive
respectively)

REFERANSEOMR. is the normal
range for the analyte.

Use this information together with
the sample-ID to log in as seen to
the left. After you have filled in this
information press “LOGG INN” and
you will see your results as shown
below.
